

Let's leave our "Falcon" mark around town!

1. Color and cut out the Falcon sign.
2. Write a note on the back of your sign.
3. Tape or attach a chopstick, straw, or anything you can use to stick into the ground.
4. Find an area in the "Friendship" area where students who attend Friendship live or go. Such as.... Your park in your neighborhood, the entrance to your neighborhood, somewhere near the school.... Etc.
5. While you are out and about, look to see if you see any "Falcon" signs! Read the message on the back and post a picture of you near it to the Friendship PE facebook page or to your class page so that we can see where all the "Falcon" signs are and all the fun messages!

**Can't wait to look for
and see all the "Falcon"
signs around town!**
